

# BRIGHT BEES NEWSLETTER

Welcome to the second half of our Autumn term. This term the children have enjoyed celebrating Diwali, Halloween and raising money for Children In Need. We have explored the change in Weather and the Autumn season.

Thank you for all your patience while the building works were carried out. We now have a lovely extended Baby and Toddler unit.

As the weather turns icy and cold we will continue to take the children outside to play. Please dress your child appropriately with warm clothing such as hats, scarves, gloves and coats.

A reminder to all parents if you notice your child shows symptoms of illnesses such as chicken pox, hand foot and mouth, conjunctivitis, ear nose and throat infections please keep your child at home until they feel better. If your child is suffering from vomiting or diarrhoea they will need to stay off nursery for 48 hours after the symptoms clear.

Hope you all have a Merry Christmas and a Happy New Year.

From Farah and Nafeesa
